**CHAP’S RESPONSIBILITY**

- Site visitor provides a preliminary sense of any performance deficiencies and a "pre-bill" form which indicates the number of Site Visit days to be invoiced (e.g., 2 site visitors at the agency for 3 days = 6 total site visitor days)

**CONSIDERATIONS**
- If the site visitor is refused entry, the visit is aborted and the applicant is charged the abort visit fee.
- If the applicant is not present to conduct the survey or failed to notify CHAP in advance that it does not meet census requirements, the applicant is charged the cancellation fee.
- If the renewal visit for a Medicare certified organization is aborted, the applicant is charged the abort visit fee and the termination process is initiated.
- Though you may appeal during POC (step 5) or BOR (step 6), the best time to raise an issue is while CHAP is on-site.

- Director of Accreditation either accepts or requests further modifications to the POC within 10 business days
- CHAP will respond to a revised POC within 5 business days of receipt of the submitted POC
- Ultimately, an acceptable POC will be agreed upon for submission to CHAP Board of Review for a final accreditation decision

**CONSIDERATIONS**
- During the POC process, an organization may submit an appeal of specific findings directly to the Director of Accreditation.
**BOARD OF REVIEW**

**YOUR RESPONSIBILITY**
The Board of Review (BOR) will review the POC (names and identifiers removed) and make one of the following accreditation determinations:

**CHAP’S RESPONSIBILITY**
- Applicant is notified via e-mail of the determination
- Termination determinations will be sent via certified mail

**CONSIDERATIONS**
