COVID-19 PANDEMIC RESPONSE

An ever-changing situation requires a patient centered, partner focused approach. Everyone at CHAP is prepared to help you through what’s next.

- **60+ hours of provider collaboration calls**
- **Assisted 4,000+ through 45 pages of published FAQs**
- **COVID webinars reaching over 3,000+ viewers**
- **3,000+ helped from COVID educational documents**
- **2,000+ helped through CMS waiver updates**

FAQs help you navigate the unique challenges you face as a community based provider. COVID webinars give you the information you need as the pandemic evolves. COVID educational documents include valuable information surrounding the pandemic. CMS waiver updates are essential to keeping your business up to code.
